1. Read Government Order No. 3984-91—L. B. (294-05)-15, dated the 16th November 1906, stating that Government consider that the proposal of levying fees on every notice of demand served on the owners or occupants of houses in Village Unions may lie over till sufficient experience of the working of the Local Boards Rules has been gained and requesting to report at the end of the current official year whether the District Boards on further consideration of the subject still adhere to the resolutions now adopted by them in regard to the levy of notice fees.

Resolution.—Recorded.

2. Read Subject No. 15 of the District Board Proceedings of the 20th September 1906 and the resolution thereon regarding that no batta to the members was necessary, but that the savings thus effected might be utilized for the additional establishment and increase of salaries to the President's office establishment.

Resolution.—Resolved that no change in the existing rules is necessary.

3. Read Government Order No. 3613-21—Med. 97-06-2, dated 5th November 1906, requesting the Deputy Commissioners of Districts and the Presidents of District Boards and ascertain their views as to the utility, by placing the subject before the respective District Boards of the branch dispensaries and their willingness to bear the charges for establishment and medicine and submit copies of their resolutions with their opinions thereon for the orders of Government, and that members of the Representative Assembly who have taken an interest in the matter of medical aid may also be consulted with advantage.

Resolution.—It is resolved that the proposal does not commend itself to the Board. It is unanimously of opinion that in important villages where there is a necessity for a dispensary and where it is not at present possible to locate a Local Fund Dispensary, a native pandit may be appointed.

4. Read Chikmagalur Taluk Amildar's report No. 165, dated 20th December 1905, enclosing the opinion of the Chikmagalur Taluk Board *re* the taking over for management, the road opened out by Mr. Godwin Bower from the Handi Estate to join the Belur-Sanivarasante road to District Funds.

Resolution.—Resolved that further particulars should be called for.

5. Read Secretary's docket No. 6241-8—L. B. (78-06)-1, dated the 11th January 1907, forwarding for the consideration of the District Board, Dasara Representative Assembly Subject No. 211 *re* the maintenance of District Fund roads to be met from Provincial Funds, and the question of levying tolls if the District Funds are insufficient.

Resolution.—Resolved that after mature consideration, the Board considers that it is not advisable to levy tolls on any of the roads in the district, in view of the depression of the coffee and other industries. At the same time the Board again respectfully requests the Government to take up for maintenance by the Provincial Funds the Chikmagalur-Yedahalli road *via* Muthodi for the present, and thus grant relief to the District Funds to the extent of Rs. 4,000.

6. Read Executive Engineer's docket No. 326, dated 13th November 1906, forwarding an estimate for Rs. 1,785 for additional stone road rollers required for the District Fund roads in the Kadur District.

Resolution.—No funds for this at present.

7. Read Executive Engineer's docket No. 315, dated 27th October 1906, stating that 2¼ miles out of the 6 miles of the Koppa-Badagi road have been transferred to be maintained by the Provincial Funds and that the savings effected therefrom may be utilized for increasing the mileage allotment of the remaining length of road to be maintained from District Funds as the present mileage allotment is inadequate to maintain the road in good order.

Resolution.—Resolved that it may be granted.

8. Read Executive Engineer's docket No. 377, dated 30th December 1906, forwarding a revised estimate for Rs. 1,188 for widening the bund of the Thimmasettikere tank for obtaining sanction to the estimate.

Resolution.—Resolved that the widening of the bund is very necessary. Since there are no funds, the Government may be moved to provide funds from the Provincial Funds, or if this cannot be done, that it may be allowed to be paid from the minimum balance of the District Funds.

9. Read Executive Engineer's docket No. 347, dated 4th December 1906, forwarding for countersignature two estimates for Rs. 155 and Rs. 170, respectively, for improving and repairing the 3rd class travellers' bungalow at Aniganahalli.

Resolution.—Resolved that the estimates be countersigned.

10. Read Executive Engineer's docket No. 8 of the 12th January 1907, forwarding an estimate for Rs. 98 required for the preliminary operations for tracing the road from Chikanahalli to Chikmagalur to a length of 20 miles for countersignature.

Resolution.—Resolved that the amount may be granted.

11. Read Executive Engineer's docket No. 9, dated 12th January 1907, requesting sanction to certain reappropriations out of the grants sanctioned in the budget for the current year 1906-07, for works to be executed by the Public Works Department.

Resolution.—Resolved that the reappropriation be sanctioned.

12. Read Executive Engineer's docket No. 349, dated 5th December 1906, intimating that repairs required for the 3rd class travellers' bungalow at Lingadahalli could not be executed as the estimate was not sanctioned last year and that a reappropriation of the sanctioned grants in the budget is not possible.

Resolution.—The Board is strongly of opinion that this mud built and dilapidated bungalow is not worth spending any money on its repairs. There is no money in the District Funds for the construction of a new bungalow. This bungalow stands on the Provincial road—Chikmagalur-Tarikere road.

Resolved that the Government be approached with a request that necessary funds be granted from the Provincial Funds for its construction.

13. Read Executive Engineer's docket No. 2, dated 3rd January 1907, forwarding a statement showing the amount of contribution payable from District Funds on account of the repairs of the Local Fund Dispensaries during 1907-08.

Resolution.—Resolved that all items of repairs except those of Basavanhalli dispensary building be sanctioned and the question of constructing a new building for the dispensary at Tarikere may lie over till next year.

14. Read Senior Surgeon's docket No. 3429, dated 24th November 1906, forwarding copy of memo No. 258, dated 18th October 1906, from the District Medical Officer, Kadur District, suggesting that the pay of the waterman of the Yedahalli Dispensary may be raised from Rs. 2 to Rs. 3.

Resolution.—Resolved that the question of granting an increase of pay from Rs. 2 to Rs. 3 to all the watermen in the dispensaries be reserved for consideration at the next meeting.

15. Read Senior Surgeon's docket No. 4564, dated 15th January 1907, forwarding copy of memo No. 356 of the 7th December 1906, from the District Medical and Sanitary Officer, requesting that Rs. 2-8-0, now included out of the detailed contingent amount of Rs. 5 per mensem allotted to the Women and Children's Dispensary at Chikmagalur may be separately provided for in the budget as allowance for the sweeper and dhobi, as the sum of Rs. 5 is entirely required for the purchase of things absolutely necessary.

Resolution.—Resolved that the additional amount may be sanctioned.

16. Read proposal of the Kadur Taluk Board to increase the contingency allowed for the Hindu Vaidyasala at Birur from Rs. 9 to Rs. 15 on the ground that more than 1,000 patients are attending monthly and that the sum of Rs. 9 now allowed is very insufficient.

Resolution.—Resolved that this Board is prepared to bear its quota of the additional cost.

17. Read Koppa Amildar's report No. 132, dated 24th January 1907, enclosing Mr. Parton's letter, stating that he is prepared to erect a pound and that the pound-keeper will be his mestri and in his absence, his munshi, and requesting to establish a cattle-pound on the score that the village cattle are doing great havoc to the crops in his estate.

Resolution.—Resolved that the receipt of the report called for from the Divisional Assistant Commissioner be awaited.

18. Read application from one Ramaswamaiya, Sanitary Engineering student, praying for a district scholarship to study for the Sanitary Inspector's test.

Resolution.—Resolved that no scholarship can be granted.

19. Read Chikmagalur Vice-President's yadi No. 585, enclosing the resolution of the Chikmagalur Municipal Board, dated 31st January 1907, stating that an additional allowance of Rs. 10 towards the cost of medicines and a compounder on Rs. 7, may be given for the Hindu Vaidyasala at Chikmagalur and requesting the opinion of the District Board in the matter.

Resolution.—Resolved that it may be reserved for enquiry and disposal at the next meeting.

20. Read Government Order No. 3455-65—Med. 297-05-4, dated 2nd November 1906, requesting to place the matter of granting mileage to midwives may be placed before the District Board and to submit their resolution.

Resolution.—Resolved that midwives attending on labour cases in the mofussil may be given allowances even for marches within twenty miles provided they travel beyond five miles from head-quarters.

21. Read the Divisional Assistant Commissioner's yadi No. 690, dated 29th January 1907, forwarding the proposal of the Kadur Taluk Board recommending that a road to Nidagatta from the Sakrepatna-Banawar road may be opened as the village is an important one and consists of 300 houses and 800 people and as the villagers have executed a mutchalika binding themselves to pay a contribution of 2 annas for every rupee of assessment that each raiyat pays and this amount is estimated at about Rs. 240.

Resolution.—Resolved that the District Funds cannot afford to undertake this work.

22. Read Revenue Commissioner's docket No. 8995, dated 12—18th February 1907, requesting to submit the resolution of the District Board *re* the source from which the cost of acquiring certain lands in Lingadahalli, Tarikere Taluk, for extending the compound of the travellers' bungalow and musafirkhana at Lingadahalli has to be met.
